**ORDER**

A 42 U.S.C. § 1983 action has been filed by a person incarcerated in an institution of the State of Alabama alleging a violation of civil rights. The Magistrate Judge has reviewed the complaint and determined that this pleading cannot be properly and effectively processed by the court without further additional information from the defendants. Accordingly, it is hereby

ORDERED that:

1. Defendant named in the complaint undertake a review of the subject matter of the complaint (a) to ascertain the facts and circumstances; (b) to consider whether any action should be taken by prison officials to resolve the subject matter of the complaint; and/or (c) to determine whether other similar complaints, whether pending in this court or elsewhere, should

be considered together;

2. An answer and written report be filed with the court containing the sworn statements of all persons having knowledge of the subject matter of the complaint. This answer and report shall be filed with the court and a copy served upon Plaintiff within forty (40) days of the filing date of this order. All defenses including immunity defenses must be set forth in the written report or such defenses may be waived. Authorization is hereby granted to interview all witnesses, including Plaintiff. Whenever relevant, copies of medical and/or psychiatric records shall be attached to the written report. Where Plaintiff's claim or Defendant's defenses relate to or involve the application of administrative rules, regulations or guidelines, the written report shall include copies of all such applicable administrative rules, regulations or guidelines;

3. No motion for summary judgment, motion to dismiss or any other dispositive motions addressed to the complaint be filed by any party without permission of the court. If any pleading denominated as a motion for summary judgment, motion to dismiss or other dispositive motion is sent to the court, the court shall not file or otherwise treat the pleading as a dispositive motion until and unless further order of the court.

4. NOTICE TO PLAINTIFF.

(a) The *Federal Rules of Civil Procedure* require that Plaintiff mail to the lawyer for Defendant or, if no attorney has appeared on behalf of Defendant, Defendant himself, a true copy of **anything** which he sends to the court. Failure to do so may result in dismissal of this case or other penalties. Anything filed should contain a certificate of service which specifically

states that the pleading has been sent to the lawyer for Defendant. If the pleading does not contain a certificate of service, it will not be accepted for filing;

(b) With the exception of the complaint and any response ordered by the court, “[n]o other pleading shall be allowed” in this cause of action. Rule 7(a), *Federal Rules of Civil Procedure*;

(c) Each pleading, motion or other application submitted to the court shall contain "a caption setting forth the name of the court, title of the action, the file number, and a designation[.]" Rule 10(a), *Federal Rules of Civil Procedure*, and must be signed by Plaintiff. Rule 11(a), *Federal Rules of Civil Procedure*;

(d) Every application which requests an order or particular action by the court “shall be [presented] by motion which, unless made during a hearing or trial, shall be made in writing.” Rule 7(b)(1), *Federal Rules of Civil Procedure*. The application "shall set forth with particularity the grounds" for the motion and "the relief or order sought.” *Id.* Additionally, the request or application for relief must contain a proper caption setting forth a title designation which specifically states the action that the applicant or movant wants the court to undertake. Rules 7(b)(2) and 10(a), *Federal Rules of Civil Procedure*. Any application or request which fails to comply with the directives of the civil rules as outlined in this order will not be accepted by the court for filing;

**Plaintiff is hereby advised that the court will consider only those requests presented in an appropriate motion which is in the proper form. Consequently, any**

**application for relief or request for action *must be contained in the title of the motion to warrant consideration by the court;***

(e) All amendments to a complaint must be labeled with the words "amendment to complaint" or similar language. Except as permitted by Rule 15(a), *Federal Rules of Civil Procedure*, no amendment to a complaint will be accepted by the court for filing **unless accompanied by a motion for leave to amend;**

(f) **All amendments to the complaint and/or motions to amend must be filed within ninety (90) days of the date of this order and the allegations contained therein must relate to the facts made the basis of the instant complaint.** Proposed amendments or motions to amend filed after this date will be considered untimely. Any such amendments or motions which contain claims unrelated to the claims presented in the original complaint will not be considered by the court;

(g) Plaintiff is informed that this case will proceed as quickly as possible and that he will be informed of all action the court takes;

(h) If Plaintiff moves to a different institution or is released, he must immediately inform the court and Defendant of his new address. In so doing, Plaintiff shall style this notification as a "Notice of Change of Address" and provide a copy of this notice to Defendants. Failure to comply with this requirement will result in a Recommendation that this case be dismissed;

(i) It is the responsibility of Plaintiff to furnish the clerk's office with accurate addresses for the defendant(s) whom Plaintiff wishes to serve. Without accurate addresses, service of process is impossible. It is also the responsibility of Plaintiff to monitor this case to make sure that the persons whom Plaintiff wishes to sue have been served. If a person has not been served, he/she is not a party to this lawsuit except in very unusual circumstances.

Plaintiff is specifically **CAUTIONED** that his failure to file motions, pleadings or other papers in conformity with the *Federal Rules of Civil Procedure* and/or the directives contained in this order will result in such documents not being accepted for filing. The CLERK is DIRECTED to not accept for filing any pleadings, motions or other applications submitted by Plaintiff which are not in compliance with either the *Federal Rules of Civil Procedure* or the directives contained in this order.

The CLERK is hereby DIRECTED to furnish a copy of this order to Plaintiff and a copy of this order together with a copy of the complaint to Defendant, to the General Counsel for the Alabama Department of Corrections, and to the Attorney General for the State of Alabama.
